Regular Sale with Stocker Feeder Special

Sold 309 hd of all cattle types today, including 201 hd of stocker feeders. A very light test throughout all cattle types sold. Slaughter cows were down \$7.00 to \$12.00 and slaughter bulls were steady to \$5.00 down. Our stocker feeder special consisted mostly of pregged open heifers. Considering the light test of heifers; we were able to see a wide range of weights, and prices showed a major retracement of the feeder cattle market.
